

Disability Sensitivity WORKSHOP

PRODUCED BY

The Ocean State Center for Independent Living provides a range of Independent Living Services to enhance, through self-direction, the quality of life of persons with disabilities and to promote integration into the community.

An Interactive Guide by Individuals with Lived Experiences

Our Disability Sensitivity Workshop is designed to foster inclusivity and understanding across a wide range of settings. Led by two presenters with lived experience, this interactive training offers practical strategies and real-world examples to help participants engage the disability community with sensitivity. Tailored to meet the specific needs of businesses, schools, government agencies, healthcare providers, and community organizations, the workshop ensures that participants are equipped to maintain a culture of inclusivity and diversity.
