

**OSCIL's Spinal Cord Injury Support (SCI) Group meets once a month to provide a unique peer-to-peer experience.**

**This is a great opportunity to meet with people who truly understand and empathize what it is like to live with such a life altering disability. This peer setting helps to foster a comfortable and friendly group where folks can ask questions, address concerns, and ask for advice from someone who has first-hand experience living with a spinal cord injury.**

**We encourage anyone with a SCI to join, all ages are welcome! Please feel free to contact us for information on our next upcoming meeting. Email to [matthew.delillo@oscil.org](mailto:matthew.delillo@oscil.org) or call 401-738-1013 x 32.**
